

2018 Art Submission Agreement

Submission Deadline is March 31, 2018. Submitting artists must read and agree to the terms and submission criteria for the 2018 Rehoboth Beach Independent Film Festival stated below:

- Artwork must be a new and original piece created with film and coastal Delaware in mind.
- Artwork must be two dimensional and can be a drawing, painting, ink, glass, collage, photography, or other media.
- Artwork may be representational, abstract, or a combination.
- Artwork must be created in a vertical format. Proportion must be 2:3 ratio, width to height. Critical design elements should fall well within the edges of art to allow for a variety of size and bleed requirements
- Required unframed dimensions: minimum size 12"X18"; maximum size 16"X24"
- Artwork should be signed by the artist. The RBFS cannot guarantee signature placement on publicity materials.
- RBFS must add Festival information to your artwork. Please leave room on the art to allow for the Film Society and Festival logos, date of the event, and sponsors to be added. Artwork may need to be cropped or adjusted in the design of the program, poster, merchandise, or publicity materials to accommodate placement of essential content. The RBFS will work with the chosen artist on placement, however RBFS retains final approval rights of format.

- The selected artwork will be auctioned at the Film Festival in November with 100% of the proceeds to benefit the Rehoboth Beach Film Society. Auction of the artwork is a significant fundraiser for the Film Society.
- The RBFS retains the right to conduct the auction of the selected artwork as it deems appropriate for the Festival.
- The RBFS will retain all rights to use of the selected artwork.
- If the artist elects to participate, non-selected submissions will be exhibited for purchase at the Cinema Art Theater. The proceeds will be split 60% to selling artist and 40% to RBFS.
